

Welcome Letter to Interested Visitors to the HVHPC Website

Welcome and thank you for your interest in Huntingdon Valley Hunt Pony Club. You are invited to attend our Junior Meetings every 3rd Friday of the month to learn more about United States Pony Club and Huntingdon Valley Hunt Pony Club. A visit to the USPC website a www.ponyclub.org is very informative on what pony club .

To become a member of Huntingdon Valley Hunt Pony Club you will need to pay dues to the United States Pony Club (\$120), the Eastern PA region (\$20) and the HVHPC (\$30). However, our fundraising events help members recoup these costs during the year. For example, you will immediately receive USPC pin (\$5), Medical armband (\$20) and USPC Book (\$25) and Club carryall (\$10). All of these items will be needed for participation in yearlong activities. Additionally, the club will pay 50% of entries to all rallies (pony club calls their horse shows rallies), our lesson program will have a 50% discount to members as well as regional lesson programs. Our club also has a membership renewal rebate program. At the end of the year, a renewing member can submit, for reimbursement, the cost of one horse related activity and the club will pay a partial reimbursement of that cost. The more you participate the greater your savings.

Huntingdon Valley Hunt Pony Club has a Junior Meeting every month on the 3rd Friday at 7pm at St Luke's Church, Durham Rd., Ottsville, PA. Also the Senior Board (parents meeting) meets on the 2nd Wednesday of the month and all parents are invited to attend. Pony Club offers many benefits and activities for a wide range of riders and youth interested in horses. Although recommended, it is not necessary to own your own horse and currently we have a number of members with appropriate mounts willing to lend them for lessons and other PC activities.

Visit us on Facebook and ask to be our friend to follow some of the activities are participating in and see what fun we all have.
